

COMMERCIAL PROJECTS

Be inspired by projects from all over the world and explore how others have used our floorings to create spaces to thrive in.

BOLON

WOVEN DESIGN FOR THE CONTRACT MARKET

Bolon is a design-driven family business specialising in innovative flooring solutions for the contract market. Since the start in 1949, we have gone from a traditional weaving mill to an international design brand. With a fundamental dedication to sustainability, we design and produce all our products in Ulricehamn, Sweden.

Bolon is suitable for commercial projects of all sizes and offers versatile solutions for interior designs. Apple, Google, Microsoft, Miele, Nike, and Samsung are some of the renowned brands that have used Bolon to enhance their brand experience.

Appearance retention over time ³	●	●	●	●	●
Textile appearance	●	●	●	■	■
Comfort under foot	●	●	●	■	■
Impact sound reduction ⁴	●	●	●	●	●
Slip resistance	●	●	●	●	●
Impervious material	●	■	●	■	●
Antistatic properties	●	●	●	●	●
Minimal chemical properties	●	■	●	●	●

● LOW SCORE ● HIGH SCORE ■ NOT AVAILABLE

¹ Due to lower cleaning and maintenance costs comparing carpet and hardwood and the durability of Bolon flooring the LCCA will give a positiv result.

The LCCA can be calculated per project by a third party and is not something we calculate ourselves.

² Bolon flooring has a long product lifetime during which we offer warranties up to 15 years.

³ Unlike textile, carpet or hardwood, our flooring retains its appearance without flattening.

⁴ Our acoustic flooring improves the decibel value up to 22 dB.

BEAUTY WITH BENEFITS

- All Bolon flooring and rugs are climate-neutral and contain 68% recycled materials.
- Bolon flooring and products have a positive result on the LCCA Life Cycle Cost Analyses and low maintenance costs during the lifetime.
- The unique combination of outstanding design, low maintenance and technical features makes Bolon the best choice for your interiors.
- Bolon flooring makes it easy to roll both castor chairs and wheelchairs, which enhances smooth working.
- Bolon acoustic flooring offers increased impact sound insulation by reducing the transmission of footstep noise to rooms below.

- Easy to maintain and supports good indoor air quality

CLEANABILITY

Bolon flooring represents an unbeatable combination of design, durability, ease of cleaning, maintenance, and sustainability. Looking after it correctly will give you many years of pleasure and performance.

Due to its impermeable and solid construction it is simple to take care of – most maintenance can be accomplished with a vacuum cleaner, scrubbing brush and water.

CLIMATE-NEUTRAL PRODUCT AND PRODUCTION

Sustainability isn't just something we say; it's what we do. We are proud that our sustainability work covers all our products, not just selected niche collections. This means that all our products contain 68% recycled material, with 0% climate impact in every square meter. All our manufacturing takes place in our climate-neutral factory in Sweden. Through the Back2Bolon take-back programme, old products installed with non-permanent solutions can be returned for recycling.

Read more about our sustainability and certifications on our website [here](#).

“With a broad product portfolio, ranging from mélange neutrals to bright colours, Bolon offers long-lasting flooring and rugs for all kinds of design solutions in the commercial sector.”

KLARA PERSSON,
DESIGN DIRECTOR

“STTK’s entire office has Bolon flooring. Particularly our conference rooms are in heavy use. Although the chairs in the conference rooms are not on wheels, the flooring has withstood the constant moving of the chairs. Cleaners praise the easy maintenance. Bolon comes in different designs to enliven the look of the office. It’s hard to imagine any other carpet-like flooring solution for offices.”

ERKKI LAVONSALO, CFO
STTK

STTK / Helsinki, Finland
ELEMENTS: Cork, Birch

WOVEN DURABILITY

When choosing Bolon, you get a high-end design flooring with all the practical benefits of woven vinyl. Beautiful, tactile and easy to clean and maintain. A perfect choice for any commercial project.
